1/ Base revenue growth compares current year base collections to prior year actual collections, less one-time revenue enhancements, and excluding Urban Revenue Sharing. Actual revenue growth compares actual collections from year to year.

2/ Amounts reflect one-time revenue enhancements enacted by the Legislature. Amounts do not include carry-forwards of revenue from the previous fiscal year. A more detailed listing of these amounts can be found in the One-Time Financing Sources section of the *General Fund Revenue Tables* contained in the *Annual Appropriations Reports*.

3/ Excluding non-tax revenue adjustments and one-time tax law changes enacted to balance the budget. A detailed discussion of the tax reductions/increases amounts can be found in the *Fiscal Impact of Statutory Tax Changes* document on the JLBC website at <http://www.azleg.state.az.us/jlbc/taxchanges-08.pdf>. The same document can also be found in the Appendix of the *2007 Tax Handbook*, also located on the JLBC website.
